

## Overview

In this unit you will be learning about changes that have happened throughout your life and the lives of other people. We will talk about how you have changed and how the things around you have changed over time.

## Comparing Old and New

Metal

Plastic

Heavy

Light

Dull

Colourful

# The Past

## Key words

Past	Something that has already happened.
Present	Something that is happening now
Modern	An object that has been made recently. The opposite of old.
Chronology	The order that things happen.
Timeline	This is used to show when things happen.

## My timeline

The past- When I was born	The present- I am in year one.	The future – I will be in Year 6
		

## Useful website
