

Key vocabulary	
<b>Senses</b>	We have 5 of these which help us understand the world around us.
<b>Touch</b>	Your skin gives you the sense of touch. You can tell if something is warm, cold smooth or rough without even looking at it.
<b>Taste</b>	Your sense of taste comes from your tongue. You can tell if something tastes bitter or sweet. You might have some tastes you like and some you don't.
<b>Smell</b>	You can smell using your nose. Your nose can tell if things smell nice or not nice.
<b>Hear</b>	Your ears let you listen to all the things around you. Your brain is able to tell what different sounds are.
<b>Sight</b>	Your eyes let you see all the things around you.
